CIRCUIT RUN 2.0

.......The more you run the more you disclose.

Type of event   :-TECHNICAL

Event description :-if you are person who loves solving riddles ,if the word "adventure" makes adrenaline rush through your body, if you want to explore your knowledge or just want to play with some captivating circuits-CIRCUIT RUN is what might catch your fancy. It is a team game in which you are supposed to hunt down the treasures .The whole circuit run props up a plot .Each team (consisting of 2 members) is given a clue, which when deciphered, divulges a location in the campus which has the next clue. This way the team   deciphering all the codes at the earliest will have the maximum chance to win. Working out the benders, cycling as fast as you can to the next clue, deceptive discussions to lead other team to the next locations, "overhearing" the other teams (always huddle your team while discussing confidential stuff to save yourself from this)- The fun and drama is exhilarating.
